YOUR PROFESSION, OUR MISSION

WHO WE ARE

AICQ SICEV S.r.l. is an Italian Certification Body accredited by **ACCREDIA** (the Italian Accreditation Body) in accordance with ISO/IEC 17024 - **ISO/IEC 17024: Conformity assessment - General requirements for bodies operating certification of persons** for the Certification of Management Systems Auditor/Lead Auditor and professionals operating in multiple business areas. In 1994, **AICQ SICEV** has been the first Certification Body to be accredited by SINCERT (now ACCREDIA).

AICQ together with **AICQ Federations** and **AICQ SICEV** constitute a world of culture, certification and training.

For more than 25 years, **AICQ SICEV** operates as an **Independent Third Party Certification Body** and carries out its activity by ensuring compliance with fundamental principles and values such as impartiality of judgment, integrity, ethics and transparency, in full respect of people and society.

Considering the needs of a dynamic and evolving world of business, **AICQ SICEV** has expanded its operational horizon over the years, focusing on more and more heterogeneous business areas. Moreover, **AICQ SICEV** had the opportunity to interfere with other European realities both through participation in Working Groups for Certification of Professionals and Research Projects co-funded by the "Erasmus + Program" of the European Union.

OUR MISSION

In the national market and within the Italian Quality System, **AICQ SICEV** wants to be a benchmark and the leading **Certification Body** for the following services:

OUR BENEFICIARY

The certification recipient is the professional. A person practicing an intellectual profession or an activity for which an objective demonstration of the skills possessed is required. He/she works with seriousness and diligence in its expertise field and he/she is in possession of a set of knowledges and skills that distinguish it from the competitors.

THE ADDED VALUE OF OUR CERTIFICATION

AICQ SICEV certification is a tool for ensuring that the certified person satisfies the requirements of a given profession as defined in the relative Certification Scheme or in national/international standards. This certification is the best way to gain more competitiveness in world of business.

The benefits of certification are not limited to the professional who offers his/her professional services, but also involve organizations employing these professionals and clients who require such services.

The accredited certification has European and worldwide validity. This is possible thanks to ACCREDIA's membership at the European Accreditation Infrastructure (EA) and to the existence of Multilateral Agreements.

In a continuous professional development logic, the certification and the following enrollment in the **AICQ SICEV Professional Register** is the winning tool to stand out from competitors and to ensure a high qualitative standard in its own expertise sector.

It also represent, in protection of all the interested parties, a preventive and continuous guarantee of:

- Quality and professionalism through verification of the maintenance, updating and continuous improvement of competencies
- Tightness and seriousness through verification of the observance of professional ethics Code in accordance with applicable legislation
- Transparency and credibility through competencies certification according to national and international standards
